Making the Call

Picking up the telephone receiver on a pay phone is easy enough. But to make a call, money has to go into the slot. Our desire to make a call isn't enough to make the telephone work. We have to fill the phone with what it needs to produce a connection. In the same manner, we have to fill ourselves with what is good to open our communication lines with God. Sometimes we feel as if our prayer never leaves the room. Our heart must be ready for communication. Just like the pay phone needs coins to make a call, we need love, repentance, and a desire to hear His word.
